Dear Mr. Chapman,

Letter of Recognition for Pearson BTECs in Engineering

As a leading professional body in the Engineering sector, the Royal Aeronautical Society (RAeS) is the world's only professional body dedicated to the aerospace community, it exists to further the advancement of aeronautical art, science and engineering around the world.

Company website: <https://www.aerosociety.com>

The Royal Aeronautical Society recognises the following four BTEC qualifications as being fit for purpose in preparing Pearson's students for a role in Engineering sectors:

- Pearson BTEC Level 4 Higher National Certificate in Engineering: 603/0450/9
- Pearson BTEC Level 5 Higher National Diploma in Engineering: 603/0451/0

The following qualifications are particularly fit for purpose in preparing students for a role in the Aeronautical Engineering sector:

- Pearson BTEC Level 4 Higher National Certificate in Aeronautical Engineering: 603/0485/6
- Pearson BTEC Level 5 Higher National Diploma in Aeronautical Engineering: 603/0484/4

We believe these qualifications support students to progress to further training and/or professional registration; meeting the academic requirements for EngTech and enabling the progression to further study for higher levels of registration.

RAeS is happy for its name, web address and logo to be made available on the Pearson websites to confirm that we recognise the qualifications.

Yours sincerely

Elizabeth Jackson
