Dear Sahithi,

As an employer within the sector, I recognise the following Pearson qualifications as being fit for purpose and I am happy to support an application to **OFQUAL** for accreditation of the qualification(s) listed below:

Higher National title	Support for 16 -18	Support for 19+
Pearson BTEC Level 4 Higher National Certificate in <i>Aeronautical Engineering</i>	Yes	Yes
Pearson BTEC Level 5 Higher National Diploma in <i>Aeronautical Engineering</i>	Yes	Yes
Pearson BTEC Level 4 Higher National Certificate in <i>Engineering</i>	Yes	Yes
Pearson BTEC Level 5 Higher National Diploma in <i>Engineering</i>	Yes	Yes

I believe that these qualifications develop and confirm specialist knowledge and skills in the relevant sector to a standard that can be reasonably expected of a learner in higher education. The qualifications will give students an advantage when applying for related jobs or further training.
