

# Mocks Service – Summer 2022

Since Spring 2022 we have introduced a more flexible booking window so your students can sit their mock exams at a time that suits you.

Mock exam papers will be delivered into schools and colleges 3 weeks after student entries have been submitted. From receipt of completed mock exams, results will be returned to centres within 21 days for paper and 14 days for onscreen. Please ensure you consider these timeframes when planning for your student mock exams.

The table below shows recommended key dates for your guidance. Remaining within the recommended booking windows will ensure your students are able to sit their mock exams within the relevant mock exam series.
