## Example university destinations in 2019

### Where did some\* of our IAL students apply to university in 2019?

We sent IAL Candidate Statements of Provisional Results (CSPRs) to the following non-UK universities between 16th August and 30th September 2019.

\*This is not an exhaustive list of IAL student university destinations as is based only on requests received through the June 2019 academic results sending service.

### More about the academic results sending service

The [academic results sending service](#) is available to students after every Pearson Edexcel examination series.

Students submit an online application with details of their qualification and the universities they have applied to outside of the UK.

Universities are sent a paper copy of the provisional grades (CSPR) once they are officially released to students. This enables admissions confirmation to take place more efficiently.
