

# International Advanced Level (IAL)

## Example university destinations in 2020

Hundreds of Pearson Edexcel students use our [results sending service](#) every year which delivers verified Candidate Statements of Results (CSPRs) to universities and admissions bodies outside of the UK with speed and confidence.

This year a delivery by email option was introduced to the service in response to the new challenges brought by the COVID-19 global pandemic.

### **Where some\* of our IAL students applied to university in 2020**

We sent IAL Candidate Statements of Provisional Results (CSPRs) to the following non-UK universities and international admissions bodies.

UK universities continue to receive IAL results electronically via UCAS.

*\*This is not an exhaustive list of IAL student destinations for university as is based only on requests received through the June 2020 academic results sending service.*
