

# International Advanced Level (IAL)

## Example university destinations in 2021

Hundreds of Pearson Edexcel students use our [Verification of Results](#) service which securely delivers Candidate Statements of Results (CSPRs) to universities and admissions bodies outside of the UK.

This year learners applied to more local destinations which may be influenced by the ongoing COVID-19 global pandemic, however universities in US, Canada and Australia continued to be attractive.

### Where some\* of our IAL students applied to university in 2021

We sent IAL Candidate Statements of Provisional Results (CSPRs) to the following non-UK universities and international admissions bodies.

UK universities continue to receive IAL results electronically via UCAS.

*\*This is not an exhaustive list of IAL student destinations for university as is based only on requests received through the June 2021 academic results sending service.*
