

How to apply for Confirmation of Provisional Results]

Is the Confirmation of Provisional Results service right for me:

We will issue a copy of your Candidate's Statement of Provisional Results (CSPR). Pearson will confirm subject grade(s) as they are shown on our system at the time of processing your application and are provisional until your original certificate is issued.

Results are sent directly to your university on or after results day. We do not issue a copy to you.

Only one qualification 'type' can be requested per application, e.g. if you need IAL and GCE AS/A Level and EPQ or International GCSE, please submit separate applications for each qualification.

We currently offer two delivery methods and before making your application, you should contact your university to see which method they will accept:

Electronic copy (by email) - £31.

Hardcopy (by courier) - £77.

The Priority service is not available – applications are processed in the order they are received.

Before you begin:

- **You can only apply for provisional results from the Summer 2025 exam series.**
- We advise making your application on a Desktop PC or laptop, not a handheld device such as a mobile phone or tablet.
- Please do not use any special characters or symbols.
- It is important that you check with your centre that we are the awarding body for your results.
- Ensure you read the Confirmation of Provisional Results information page

The screenshot shows the Pearson website's 'Certificates Application: Qualification Details' page. At the top, the Pearson logo is on the left, and navigation links 'About You', 'Order', 'Complete', 'Contact', and 'Help' are on the right. The page title is 'Certificates Application: Qualification Details'. Below this, a message says 'Please complete this form to begin your results verification application.' The main form area has a section 'Select your qualification:' with a dropdown menu. The dropdown is open, showing options: 'Please Select...', 'Edexcel GCE AS and A levels', 'Edexcel GCE O level', 'Edexcel GCSEs', 'Edexcel International AS and A levels', and 'Edexcel International GCSEs'. Below the dropdown is a date field showing '01/06/2024' with a calendar icon. To the right of the dropdown, there is a note: 'Please remember the exact details of your qualifications but it is important to provide information as accurately as possible as this form may delay the processing of your application.' Below the date field is a text input field labeled 'Course title / subject' with the text 'Maths, English and Science' entered. At the bottom of the form is a 'Next Page' button.
