How to apply for Confirmation of Provisional Results

This service is for candidates who need to send official evidence of recent exam results to their university before the original certificate is issued.

The document will be a Candidate Statement of Provisional Results (CSPR) which will list your qualification grades at the time of us processing your application.

Results are provisional until final certificates are issued, and this is explained in the covering letter provided with the CSPR. If there is a review of marking and grades subsequently change, it is the responsibility of the candidate to let the university know.

We offer two delivery methods: PDF copy (by email) or hard copy (by post). Before making your selection, please contact your university to ask which method they will accept.

* If you require **both** PDF and Hardcopy, please submit two separate applications.

This service is only available for AS/A Level, International AS/A Level or GCSE results taken in the following exam series: October 2024, November 2024, January 2025.

*** If you also need copies of results certificated in an earlier exam series, please submit a separate application via the replacement certificate service.**

Before you begin:

- We advise making your application on a Desktop PC or laptop, not a handheld device such as a mobile phone or tablet.
- Please do not use any special characters or symbols.
- It is important that you check with your centre that we are the awarding body for your results.
