

T LEVEL

Technical Qualification in
Accounting

Kickstart your career in the world of Accounting

The Technical Qualification in Accounting being delivered by Pearson will give you the industry knowledge and skills required to work within the accounting and payroll sector.

It will provide you with an up-to-date qualification to enhance your employability within a dynamic market.

You will undertake an industry placement, with the opportunity to work with accountants and industry experts. You'll practice your skills within the workplace and learn from the professionals.

Job roles open to you once you complete your T Level could include:

- ▶ Assistant Accountant
- ▶ Payroll Junior
- ▶ Payroll Clerk.

What careers could this lead to?

The qualification is intended to help you to progress into highly skilled employment in the Accounting sector, with a focus on accounting and payroll.
