

# T LEVEL

Technical Qualification in  
Finance

## Kickstart your career in the world of Finance

The Technical Qualification in Finance being delivered by Pearson will give you the industry knowledge and skills required to work within the finance, banking, and insurance sectors.

It will provide you with an up-to-date qualification to enhance your employability within a dynamic market.

You will undertake an industry placement, with the opportunity to work with financial and industry experts. You'll practice your skills within the workplace and learn from the professionals.

### What careers could this lead to?

The qualification is intended to help you to progress into highly skilled employment in the Financial sector, with a focus on Retail and Commercial Banking, Investment Banking and Asset and Wealth Management, Insurance, and Financial Compliance.

### Job roles open to you once you complete your T Level could include:

- ▶ Finance or Banking Associate
- ▶ Account/Claims Handler
- ▶ Loss Adjusting Technician
- ▶ Trainee Compliance Officer
- ▶ Pensions Administrator
- ▶ Investment Assistant.
