Pearson LCCI Qualifications March–November 2015 Examination Timetable

Notes

1. Submission of Examination Entries to Examination Centres

Candidates must check with their Examination Centres for the registration closing dates which at overseas Centres may well be earlier than the dates set by Pearson.

2. Optional Speaking and Listening Tests

Speaking and Listening Tests for English for Business (EFB). It is recommended that dates for Speaking and Listening tests are not set more than one week prior to the commencement of the Series, allowing sufficient time for papers to arrive. Speaking and Listening Tests must be taken within 12 months of the written paper to be included on the certificate. Results cannot be issued until the Speaking and Listening results have been received.

3. All centres must submit Examination Entries to Pearson no later than:

- March 2015 series – 9 February 2015
- June 2015 series – 27 April 2015
- November 2015 series – 21 September 2015

Please note that late entries cannot be accepted for timetabled examinations due to the timescales required for print, despatch and delivery of the papers.

4. Timetabled Dates

All timetabled examinations must take place on the dates shown. In centres where candidates are unable to sit an examination on the timetabled date the centre should request, from International Enquiries (internationalenquiries@pearson.com), an on demand examination where this availability exists.

All examinations should be conducted according to the controls specified in the Examination Regulations document circulated with question papers and available from www.lcci.org.uk

5. Results

The dates for the online result release are:

- March 2015 series – 1 June 2015
- June 2015 series – 14 August 2015
- November 2015 series – 18 January 2016

To view your results online, please logon to <http://www.lccieb.com/SeriesResults/Crystal.aspx> using your centre code, user name and password.
