

# Today's BTEC in Construction and the Built Environment

## Right for you, right for your future

### Robert Noble

Outstanding BTEC Construction and the Built Environment Student of the Year 2014

Robert studied the **BTEC Level 3 National Extended Diploma in Construction and the Built Environment** and achieved straight Distinctions across all 18 units of his BTEC. Robert went on to gain full-time employment as a Building Surveyor, with a company who developed the position for him as they were so impressed with his knowledge and understanding of the construction industry and surveying. Robert is now supporting students at the college with presentations on his BTEC journey and where the experience has taken him.
