

Awarding your BTEC Level 3 qualifications

August 2025

Dear students,

On behalf of the team at Pearson, congratulations on completing your BTEC qualifications this year! Whether you're heading into a job, going to university, or still deciding what's next, you're taking with you real-world skills, practical experience, and a qualification that's recognised around the world.

Post-results services

Hopefully you will have achieved the grades you need to take your next step. But if you haven't achieved the grades you needed, or think something might be wrong, there are things you can do.

You should start by speaking to your school or college. They'll guide you through what's available, including:

- **Taking a closer look at your marked script.** Your school or college can request a copy, which can help decide if more action is needed.
- **Asking us for a review of marking.** This service checks your assessment was marked correctly. It's important to know that grades can go up, down, or stay the same.
- **Resit your assessment.** You might be able to resit in January or summer 2025 if you haven't already used all your attempts.
- **Launching a formal appeal.** If you're still not satisfied, the head of your college or school can appeal directly to us.

Need more detail? [Explore our BTEC student results day guide](#)

UCAS applicants

You'll be able to check UCAS Track on **14 August** to see if you've met your offers. If you haven't quite got the grades you were hoping for, don't panic. Lots of universities take a flexible approach, especially if you've just missed out. The best thing to do is call them.

[Clearing](#) is also a great route with thousands of courses still have places, and it could be your path to something exciting.

Further help and support

If you need help, our student services team are easy to reach. You can visit our [BTEC student FAQs page](#), which is updated regularly, or if you have a specific question, you can contact us through our [online portal](#) where live chat is available, or phone us on **0345 618 0440**. Phone lines will be open from 8am daily throughout the results period.

I wish you all the very best with your results and every success for the future.

With best wishes,

Freya Thomas Monk

Managing Director, Pearson Qualifications
