

Building exam experience AND confidence to A level and beyond with AS qualifications 2022

YEAR
12

Your learners' journey...

Autumn 2021
Free baseline tests

Identify gaps and focus your support.

Winter 2021
Revise and take mock exams

Our free **ResultsPlus** and **Access to Scripts** services will help you gain insights from your students' AS exam performance and provide appropriate support and intervention.

Better preparation for A level
AS exams can provide invaluable performance data for progress checking and intervention.

YEAR

Winter 2022
Revise and take mock A level exams

Summer 2022
Revise and take AS exams

Building exam confidence
AS exams can be a helpful experience for students that missed high-stakes, externally assessed exams in summer 2021.

Supporting student progression
Pearson's **Mocks Service** is available for A level English and maths – check-in on your students' performance.

Students prepared for their A level exam experience
AS qualifications in the bag with intervention and progression support from the start of your students' journey.

Summer 2023
Revise and take A level exams

If you would like to offer Pearson Edexcel AS qualifications in summer 2022, please register your interest at: quals.pearson.com/AS2022
