

# Real skills for the real world

**BTEC**

*"I chose BTEC to get a  
worldwide recognised qualification.  
I gained so much knowledge and  
practical skills."*

Aye Mi Mi San, BTEC HND in  
Electronic and Electrical  
Engineering, Singapore

# Real-life learning

Pearson - which aspires to be the world's leading education company - is working with HND centres in Yangon to deliver a wide range of internationally recognised **BTEC qualifications**. By taking a BTEC you will develop a blend of in-depth knowledge and important skills specific to vocational sectors, such as **business, IT, engineering and hospitality**.

## Open the door to a wealth of opportunities

With BTEC you can continue with your studies at a leading **university**; or go straight into the workforce with a wide range of international **employers**. Whatever you choose to do, you can be confident that BTEC will have prepared you for the next stage of your career.

"I learnt about all areas of hospitality management and I'm now prepared for a successful career."

Brinda Kapadia, BTEC HND in Hospitality and Management graduate, Singapore

### Newsflash!

From 2014 onwards BTEC HND in Business and BTEC HND in Electronic and Electrical Engineering students can now progress into Year 2 of all universities in Malaysia.

## Recognised the world over

95% of UK Higher Education Institutes

Over **200 universities worldwide** - including several of *The Times* top 100 ranked universities in Australia, Singapore, Malaysia and Hong Kong

Over **70 professional bodies** - including Chartered Management Institute (CMI), Association of Chartered Certified Accountants (ACCA), and the Institution of Civil Engineers (ICE)

**International employers** such as Shell, BAE Systems, PWC and Mandarin Oriental Hotel Group

**...all actively recruit BTEC graduates.**

## Lenora Caton: BTEC level 3 National Extended Diploma in International Business Studies

### Lenora's story:

After graduating with her BTEC, Lenora followed her dream to study in England to undertake a BA in Marketing at Lincoln University. She then successfully completed an MSc in Branding at The University of East Anglia.

### What is she doing now?

Lenora is currently working in the mobile marketing sector as an Account Executive.

### How did BTEC shape her future?

"Completing my BTEC has helped me to gain far more than just an education. It was the starting point of something much bigger. It's a world-class study where the only limit is down to your own imagination and determination."

"I like the fact that BTEC covers a wide range of knowledge from engineering, business and project management. It gives us a taste of hands-on projects and business improvement skills in a real life work situation."

Keerthana Huthu, BTEC HND in Electronic and Electrical Engineering, Singapore
