Edexcel International AS/A Level

June 2020

May/June 2020 Series

Owing to the cancellation of examinations in summer 2020 the application of UMS marks for this series is different.

For International AS/A Level exams (except Law), we used the Centre Assessment Grades information to award grades at unit level for the May/June 2020 series. These grades will also be assigned a notional single [UMS \(Uniform Mark Scale\) mark](#). The mark will be a single notional mark for all students that achieve the same grade on each unit. This means that this mark can be carried forward towards the total marks required to achieve the qualification grade, for this series and future series, and students can continue with their existing study, exam pattern and progression

Accounting											
International AS unit UMS			Max Mark	a	b	c	d	e	u
