Higher Nationals Under Licence Guidance Note

Certificating Licenced Higher Nationals

1. When producing certificates for your centres, please follow this wording:
“Higher National (Certificate / Diploma) in **[Subject]**
Awarded under licence from Pearson by **[Centre Name]**
“Higher National” is a registered trademark of Pearson Education Ltd”
2. Do not include the Pearson logo as this may suggest that your centre is running a course which has been designed and validated, and is being awarded by Pearson and is regulated by OFQUAL.
