Task 4

Medi wants to buy a mouse mat.

She wants you to compare **two** mouse mats.

Mouse mat requirements:

- have a beach or sea theme
- cost less than £15.00
- have a review rating of 3 or more.

(a) Search the internet to find information about **two** mouse mats using different websites.

Open the file **Mouse Mat Information** in the **Task 4** folder. Include your name and task reference on the document.

Save the document in the **Task 4** folder.

Take a screenshot of each mouse mat from each website.

Paste the screenshots into the **Mouse Mat Information** document.

Resave the document in the **Task 4** folder. Do not close it.

(3)

(b) Using the **Mouse Mat Information** document, identify the mouse mat that you would recommend to Medi and give **one** reason why you made this choice.

Your answer should be brief (1 or 2 sentences).

Resave the **Mouse Mat Information** document and close it.

Task 4			
a	Evidence shows the mouse mat: • has a beach or sea theme (1) • costs less than £15.00 (1) • has a review rating of 3 or more (1) If the learner achieves 3 marks but the two mouse mats are **not** from different websites, only 1 mark can be awarded. If the learner achieves 2 marks or fewer but the two mouse mats are **not** from different websites, no marks can be awarded.	3	
b	An appropriate reason given e.g. criteria met, theme, extra features	1	

How many marks would you award?

- This learner would get zero marks for this answer.
- For Part A they have selected two beach related items, however only one of them a mouse mat. Item B is a poster.
- As they have only chosen 1 mouse mat, they cannot achieve the mark for Part B.
