As an ESFA-approved end-point assessment organisation, we put EPA at the heart of apprenticeship planning, embedding regular touchpoints with employers and training providers to ensure apprentices are fully prepared for their assessments.

Benefits of our EPA Service

**With our comprehensive
end-to-end support you will:**

- ▶ Receive a high-quality, consistent and reliable service so that you can concentrate on supporting your learners.
- ▶ Work with occupationally competent and personable assessors who have the learners best interests at heart.
- ▶ Receive rich feedback and quick results turnaround to support progression and learner development.
- ▶ Have a seamless experience from EPA planning to delivery through the use of ACE360 the apprentice management system.
- ▶ Have the flexibility in deciding whether assessment is done remotely or face-to-face to meet the needs of learners and employers.

**In addition, you'll receive
all the documents, resources and
guidance to help you understand
and prepare apprentices for EPA.
This includes:**

- ▶ EPA specification for each standard.
- ▶ Additional Resources Document specific to each standard which includes resources such as:
 - ▶ Evidence requirements for each assessment.
 - ▶ Portfolio guidance and templates.
 - ▶ Assessment briefs for learners.
- ▶ Apprentice guide to EPA specific to each standard.
- ▶ Sample assessment materials (SAMs) for each on-screen and paper-based tests.
- ▶ Online training events to help you get ready for EPA.

What is ACE360?

ACE360 is the only industry-wide Apprenticeship management system that joins LTPs to EPAOs and EQAPs seamlessly and within one system, enabling you to manage Apprenticeship Standards efficiently, securely and paper-free.

ACE360 can integrate with your existing Learning Management System and national databases, providing an integrated and accurate way to manage Apprenticeship delivery and assessment.
