Post-16 level 3 and below qualification with low and no enrolments in work-based learning

Removal of ESFA funding

A number of post-16 Pearson qualifications offered by work-based learning providers in England are being removed for post-16 funding by the ESFA after **31 July 2021** as they have low or no funded enrollments.

In many cases the qualifications have an alternative option either available to teach now or in development.

Where the removal of funding would have an adverse impact on specific individuals or work-based learning providers, or on specific occupational or geographical areas, we will be submitting requests to retain public funding in line with the ESFA process. The deadline for awarding bodies to make requests to retain funding is **Friday 27 March 2020**.

If you'd like to talk to us about any of the qualifications affected, please contact wblcentresupport@pearson.com. The deadline for awarding bodies to appeal to retain funding is **Friday 27 March 2020**.
