Pearson Apprenticeships

Why choose Pearson?

Grow your talent with Apprenticeships

Apprenticeships offer learners a unique opportunity to start a new career, reskill or change career. Our solutions focus on using a blend of qualifications and digital learning resources to create a flexible and engaging learning experience for apprentices in a changing world of work.

Our Apprenticeships offer:

- An expanding range of qualifications, developing work-based skills and behaviours.
- High quality end-point assessments (EPAs) and services to support apprenticeship standards delivery including support webinars for trainers and assessors
- Up-to-date advice and guidance to support effective delivery.

Designed to give your apprentices the best opportunity to achieve their full potential and to progress in their chosen career path across a range of key industries such as Health Care, Construction, Engineering and Digital.
