

# Functional Skills

Equip your learners with the skills they need in life and in the workplace

- **Accessible Assessments** – Our Functional Skills assessments are designed with your learners in mind and contextualised to suit their needs, giving them the best opportunity to succeed and achieve their goals.
- **Flexible On-demand Assessments** – paper-based, on-screen or remote invigilation to suit your learner needs.

# Free support for learning

## Pearson's Functional Skills support offer includes:

- Teaching and learning resources targeted at areas of learner weakness.
- Webinars and live training events.
- Blogs and podcasts on the topics that matter to you and your learners.

### Functional Skills Overall Pass Rates 2022-23

Maths	Level 1	50%
	Level 2	40%
Reading	Level 1	80%
	Level 2	67%
Writing	Level 1	66%
	Level 2	62%

**ResultsPlus** - Providing feedback on your learners' achievements, giving a full breakdown of your learners' assessment performance.

**ExamWizard** - Providing exam practice support covering our entire back catalogue of retired assessments, allowing you to create your own bespoke topic-based tests.

**Remote Invigilation** - Our Remote Invigilation offer includes easy to understand support for centres, as well as support directly aimed at your learners.
