

## Exams Update - Wednesday 22 January

Welcome to your regular roundup of all the important updates at Edexcel. [You can find all of our notices online](#)

### Reminder - Entry Deadline Next Generation NQF BTEC

Please note the following dates for next generation NQF BTEC -

Date	Exam Series	Description
28/01/2014	March 2014	Entry Deadline for booking external assessments
29/01/2014	March 2014	Late entry fees may be charged from this date

### Carrying Forward GCSE Controlled Assessment Results

All GCSE controlled assessment results may be carried forward from a previous series, provided the controlled assessment contributed to a cash in.

Centres do not need to re-enter a candidate who has a controlled assessment result as the result will be carried forward automatically for all candidates cashing in. If candidates wish to retake the controlled assessment unit the latest result will contribute to the final cash in.

To qualify the following criteria must be met -

- The mark must have contributed to an overall grade in a previous session.
- Centres must not make a new entry for the unit if they want to carry forward a result.

### Results Plus Direct

Please note that the opt in / out function within Edexcel Online will soon be discontinued as it relates to the old Pin Slip service. However if you still wish your students to view their results on results day please register them for the new ResultsPlus Direct Service.

A step by step guide on how to register your students is available [here](#)

# Edexcel Certificates and International GCSEs in Chinese, French, German and Spanish - Unit 3: Speaking

Please direct teachers of the above qualifications to a notice produced on 18th January 2014, which appears on the language and qualification specific homepages of our website.

It is important that teacher's attention is drawn to this as it appears that previous practice in some schools may not reflect the approach that is required for the new qualifications.

More information can be found by clicking on any heading below -
