## Pearson Onscreen Platform Upgrade

We **mentioned last week** that we would be releasing an upgrade of our Pearson Onscreen Platform (POP) in the week beginning 21 July 2014.

After listening to your feedback we have decided to cancel the upgrade as we realise that this may not be the best time for you to upgrade all of your software as you prepare for the summer break.

We will be in touch at the start of the next academic year with details of future upgrades.

POP users can now benefit from additional support such as Live Chat, Podcasts and a video tutorial library which can all be found [here](#).

## BTEC Key Documents Finder

To help you quickly and easily find the documents to support your BTEC planning, delivery and assessments, we've put together a **useful reference guide**.

Please pass this on to your Quality Nominess, Lead Internal Verifiers and other BTEC staff within your centre.
