Grade Calculator for NQF BTEC (next generation)

To help you calculate grades for our NQF BTEC (next generation) First Awards and Certificate sizes you can now use our new grade calculator tool. This tool will allow you to:

- calculate the overall grade that a learner will achieve based on their results for each unit
- model potential outcomes should a learner obtain certain grades in the external unit(s)
- plan your courses - the calculator includes all units for Award and Certificate, as well as guided learning hours (GLH), and tells you if a unit is internal or external

To access the grade calculator tool please click [here](#).
