Students resitting a GCSE

Only controlled assessment unit(s) which have been certificated can be carried forward from previous exams series. All externally assessed units must be entered alongside the respective cash-in code.

Change to Amendment Fees

In response to your feedback, we have changed the way in which we charge for tier amendments of GCSE units in the June 2014 examination session.

All tier changes will now be charged as amendment fees regardless of whether or not the F or H option is part of the unit code or an option code.

This means that any amendments to tiers or option codes will be free of charge until the amendment fee deadline which is 4 April 2014.
