New BTEC Level 1/Level 2 Firsts onscreen, on-demand test results

From Monday 2 June you will be able to view your learners' BTEC Level 1/Level 2 First onscreen test marks in addition to the unit grade achievement already provided. We are making this data available following feedback from teachers who have told us they would like to have as much information as possible regarding learners' performance in onscreen tests.

To view your learners' marks, simply log in to [Edexcel Online](#) and select **BTEC**, click on **Onscreen Testing** and choose either **View Results by test booking** or **View results by candidate**. Learner marks are displayed in the Test Score column.

Test marks will be available for the following subjects:

- *Business (Unit 2)*
- *Engineering (Unit 1)*
- *Information and Creative Technology (Units 1 & 2)*
- *Sport (Units 1 & 7)*

**Test marks for Performing Arts (Unit 8) will also be available once results have been released.*

To further support your BTEC delivery, we have also published an online explanation of how boundaries for onscreen tests are set. You can find this and more information about onscreen tests and results [here](#).

Setting up myBTEC accounts for your colleagues

Over the course of the summer term we are uploading a number of BTEC First and BTEC National qualifications into the myBTEC service. Teachers and assessors within your centre may ask you to set up a personal

myBTEC account (using their Edexcel Online username and password details) so they can access the service for their summer planning.

For video guidance on how to set up myBTEC accounts and assign roles for your colleagues click [here](#). You can also refer to our guidance document [here](#).
