Level 2-3 update

Key findings from the BTEC Level 2-3 consultation so far.

At the end of last year, an online survey was sent to all international centres with learners registered on BTEC Level 2 and 3 qualifications. The purpose of this survey was to understand current experiences of these BTEC qualifications and help inform the future BTEC qualifications to be made available to international centres.

Level 4-5 update

Redesign of Higher Nationals (HNs)

In collaboration with employers, students, education institutions and professional bodies, we are redesigning the suite of HN qualifications. [Visit our website](#) to find out more. As part of the development of each HN subject (starting with Business and Engineering), we will be seeking your participation. To get involved and help shape the future of BTEC, please register your interest by emailing: highernationals@pearson.com

National BTEC Awards 2015 update

We received 63 excellent nominations for the International Outstanding Student category. The first and **second** selection have been done, with the **final** selection to follow before **the winner** and runner up is announced. Please take a look at the longlisting video [here](#).
