Level 2 extension update

Extension of Pearson BTEC International Level 2 qualifications

In 2014 we introduced a new suite of Pearson BTEC International Level 2 qualifications on our Self-Regulated Framework (SRF) in seven sectors - Art and Design, Business, Engineering, Hospitality, IT, Music and Sport.

We are pleased to announce that this suite has been extended to **31 August 2018**, which means you can continue registering learners up to this date. You can claim certification for learners on this suite until 31 August 2020.

Level 2 new sector update

New Pearson BTEC International Level 2 SRF sectors for October 2015

We have consulted with many of you to understand your needs and the new sectors you are looking for in the Pearson BTEC International Level 2 qualifications suite. Based on your feedback, we are pleased to announce that we are developing six new qualifications for first teaching in **October 2015**:

These sectors will have a review date of August 2018, with learners able to claim certification until 31 August 2020. [Click here](#) to be taken to the new specifications.

Benefits for you and your students:

1

The introduction of 6 additional sectors offers a wider choice of sectors for your students- available in Certificate, Extended Certificate and Diploma sizes.

2

The flexible, modular approach to learning enables your students to learn at their own pace.

3

These qualifications are 100% internal assessment - with the added option to deliver and assess these qualifications in your local language, subject to centre approval.

4

We support you at every stage through a range of digital resources, expert Subject Advisors and hands-on events.

Level 2 events

Important new events – save the date!
