

## » Important changes to internal assessment rules for BTEC Firsts and Nationals - update

---

Dear colleague,

Recently we have been in touch to let you know about some significant changes to the internal assessment rules for all BTEC Firsts and Nationals qualifications.

### **Training support**

We want to ensure that you feel fully supported through the changes. To do this, in June we delivered a 'BTEC Firsts and Nationals Online Assessment Workshop'. This session went through the new rules in detail and provided delegates with the opportunity to speak to our Lead Quality Manager. If you were unable to attend the session, you can view a recording of the online workshop [here](#).

To further support you, we have developed a suite of BTEC Firsts and Nationals assessment guides.

### **Internal assessment rules guide**

[Guide to internal assessment for BTEC Firsts and Nationals](#) - this takes you through the

mandatory rules governing internal assessment for all BTEC Firsts and Nationals, which take effect from 1 September 2014 and confirms what support is available to help you implement these new rules. We have also developed a set of subject-specific guides.
