Qualifications update

New LCCI Teacher's Delivery Guides extracts – now available online

Following on from the relaunch of the Financial and Quantitative qualifications in September 2015, we are pleased to inform you that extracts from our Teacher's Delivery Guides are now available online for the following subjects:

- [Pearson Level 3 Certificate in Business Statistics](#)
- [Pearson Level 4 Certificate in Management Accounting](#)

Please click directly to the individual qualification to view or download the guides, alternatively you can visit our [website](#) for more information

Please take part in our online subject expert panel

We would be grateful if you can continue to participate in the LCCI qualifications consultation, through our online subject expert panels. By taking part, you will be able to actively contribute to all aspects of the LCCI Business and Marketing qualifications.

If interested, please get involved today by completing our [online form here](#). We'd love to hear from you and get your views on the redevelopment of these qualifications, which we are in the process of reviewing at the moment.

Training update

LCCI Financial and Quantitative online event recordings are now available

Following on from our free online events for the updated Financial and Quantitative specifications held last month, we are pleased to inform you that the online recordings are now available on our website.

These free online events were designed to help you move to the updated September specifications with confidence.

The events were delivered by our LCCI subject experts and go through important changes to the Financial and Quantitative specifications.

Click [here](#) to listen and view the recordings plus access to the free online materials.

Website update

Still getting to grips with Pearson's qualifications website?

As mentioned in previous editions of the LCCI International Qualifications newsletter [LCCI.org.uk](#) has now been redirected to [qualifications.pearson.com/lcci_qual](#)

Here are some quick links we hope will assist you with your search:

- **Case studies:** read and hear from LCCI providers and students around the world.
- **Marketing toolkit:** download marketing material to support you in recruiting new students and promote our LCCI qualifications.
- **Registrations and entries:** access to application forms and guidance documents
- **Employment and professional recognition:** find out how we work with employers and professional bodies in the UK and around the world to ensure our qualifications offer the best outcome for students and businesses

Take part in our website survey and win £50 worth of Amazon vouchers!

The new [Pearson qualifications website](#) launched earlier this year, has been designed to save you time, by making content quick and easy to find. We also wanted to ensure that the website is just as easy to use on a desktop, laptop, tablet or a mobile.

We need your feedback

We are continually looking for ways to improve the Pearson qualifications website for international users.

We would really appreciate it if you can please complete this [short website survey](#).

By taking part, you are automatically entered into a prize draw to win £50 worth of Amazon vouchers!

We will use your feedback to make sure that we further improve the content and design of the website so it better meets your needs. The survey closes on **Monday 7 December**.

Kind regards,
Pearson Qualifications International
