

BTEC International Update

Welcome to the BTEC International Update – giving you the latest BTEC news and guidance

In this edition of the BTEC International Update:

- ◆ [Level 2-3 update](#)
- ◆ [Level 4-5 update](#)
- ◆ [Marketing Toolkit](#)

Level 2-3 update

Extension for Pearson BTEC International Level 2

We are delighted to confirm that the Pearson BTEC International Level 2 qualifications will be extended by 2 years to **31 August 2018**. This extension applies to the full suite of these Level 2 qualifications, including: Sport, Music, Business, Art & Design, Engineering, IT and Hospitality.

If you are already offering Pearson BTEC International Level 2 qualifications, then no further action is required.

To find out more about offering these qualifications at your centre, please contact your local representative, or [click here](#) for further information.

Level 4-5 update

Could BTEC lead your students to Oxford?

We would like to share a very interesting article about BTEC progression with you, which was first published in The Guardian newspaper on 21 July 2015.

The article provides an **objective overview** of how prestigious universities in the UK rate the skills and knowledge gained by BTEC students, with direct quotes from leading universities. There's also an inspiring case study from an Oxford University student that emphasises our core message - "Whatever you want to do, do it with BTEC."

[Read the full article here](#) and please pass on to your students.

Supporting your student recruitment

Download free marketing material to use in your centres

We are excited about the launch of the **NEW marketing toolkit** this month, which is packed full of authorised and downloadable marketing material to support you in recruiting new candidates and promote our qualifications.

Simply click on the BTEC logo or [follow this link](#) to be led to a selection of BTEC posters, flyers, brochures and much more – ready to be **downloaded** and **printed** at the click of a button.

[Watch our 'how-to' video](#) for some examples of how to get the most out of the free material available.
