

What are you going to do when you get home today?

Where do you go to meet your friends at the weekend?

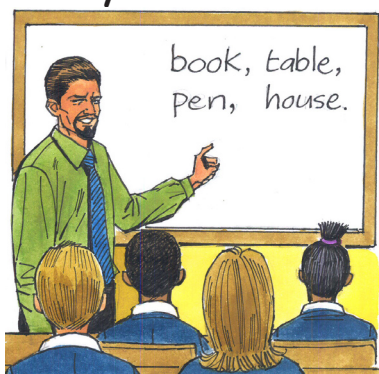

What would you like to do after this test?

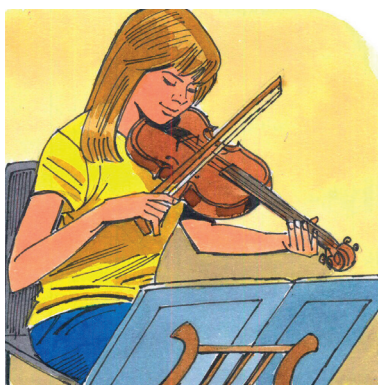

How do you feel when you see your grandparents?

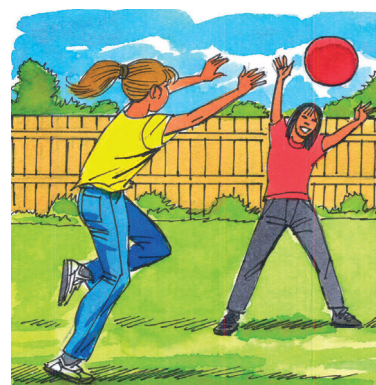

How many different English teachers have you had?

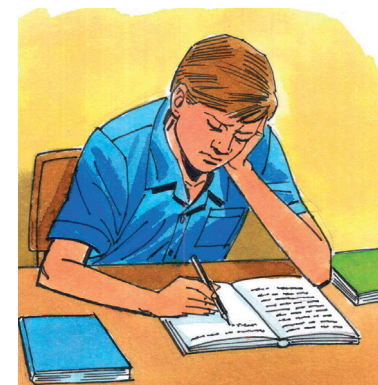

What instruments have you tried to learn?

Where do you go to play with your friends?

What will you do after dinner tonight?

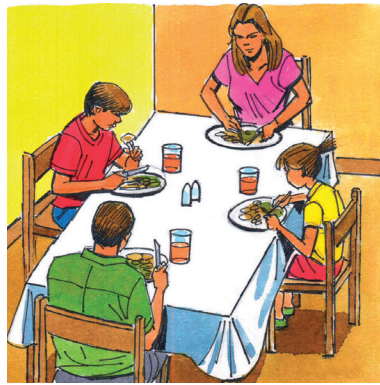

How do you feel when the weather is sunny?

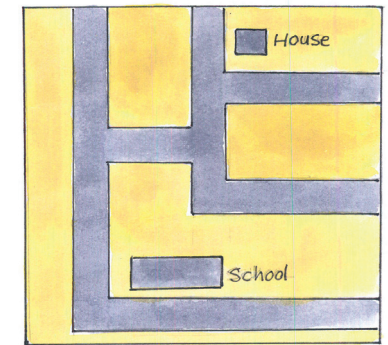

Would you rather eat at home or in a restaurant?

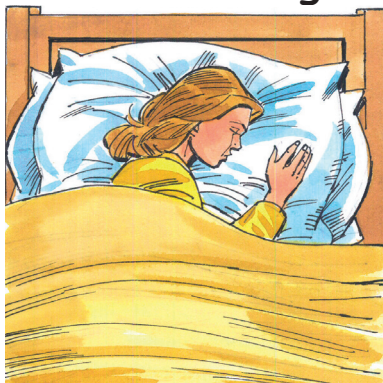

Who did you come to school with this morning?

Can you tell us how to get to this school from your house?

What was your mum doing at seven o'clock this morning?

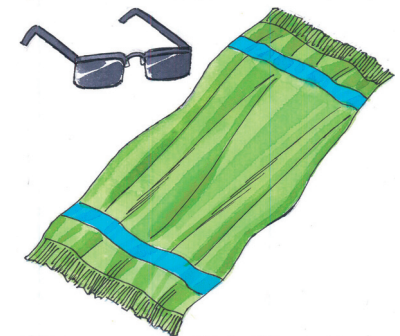

If it rains, how will you come to school tomorrow?

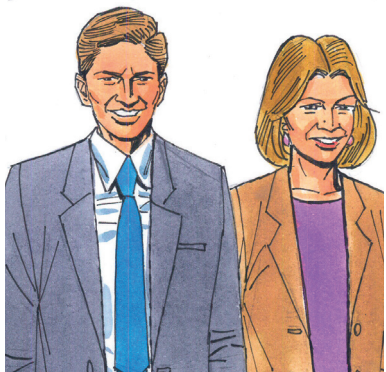

When do you get presents?

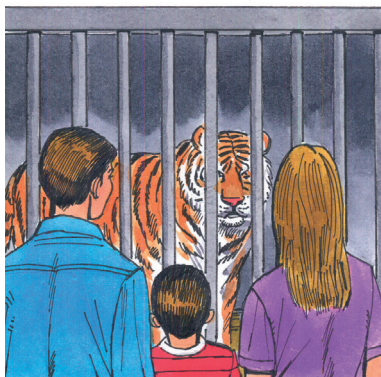

What did you take with you on your last holiday?

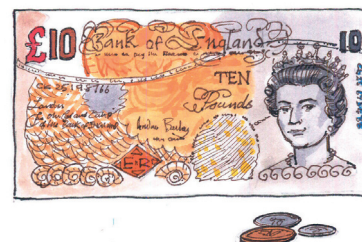

Who has a more interesting job? Your mum or your dad?

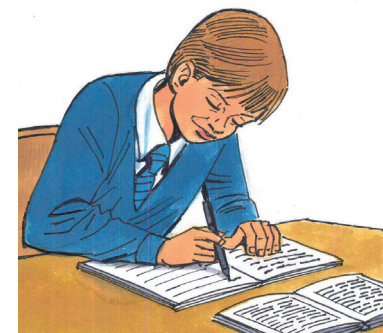

How many times have you been to the zoo?

How much money have you spent this week?

Is it better to do homework before or after dinner?
