

Remote Invigilation Assessments

Learner Declaration Form

Learner Name:

You, or your parent/guardian if you are under 18, must sign and return this declaration to your centre before you are entered to take your assessment using Remote Invigilation.

I have read and understood all the guidance and instructions on the Pearson learner support webpage for remote invigilation and agree to comply with them. I understand that there are Unauthorised Items and Assessment Room Requirements that I must adhere to and that any suspected breaches of these will be investigated.

I understand that it is my responsibility to ensure that I have the correct equipment and that the internet connection is satisfactory. I am aware that the PC or laptop and the smart device that I use must meet the technical requirements as per the guidance. Pearson accepts no responsibility for any issues caused due to incorrect equipment or internet issues at any time before, during or after the taking of the assessment.

I give my permission for the assessment to be recorded through screenshare, webcam and smart device and I understand that the recordings will be stored and reviewed to ensure that all exam conditions as outlined in the guidance are followed and met. If there is a failing of any of the video recordings, I understand that my test may not be accepted, and I will need to retake the test on another occasion.

I have made my centre aware of any Access Arrangements that I require. I agree that if I cannot meet any of the requirements of taking the exam using Remote Invigilation or cannot pass the required technical checks after returning this declaration, I will inform my centre immediately so that another method of test delivery can be arranged.
