

Using the tools

To stay safe, you need to know how to use tools correctly. These photos show how to safely sharpen a chisel. How should you use other tools safely?

Activity 4: Preparing to work

You are going to make a hinged frame. Make a list of all the tools and materials you are going to need. Ask yourself:

- What will you need it for?
- What safety checks should you make before you use it?

Tool or material	What do you need it for?	What checks should you make before you use it?
