

## 7: Think before you buy

Where have you seen these logos? What do they mean? What other pictures have you seen when shopping?

# Activity 7: What's the issue?

Look at each word.

Is it an ethical problem or an environmental one?

Put a tick in the correct column.

Then add your own examples.

	Environment: how do we look after our home? 	Ethics: how do we act?
