

## 7: Temperature

Chilled food must be kept below 8 degrees. These figures show the temperature of the fridge at your workplace during one working day.

TIME	TEMPERATURE
9am	4.5 degrees
10am	5 degrees
11am	5 degrees
12pm	6 degrees
1pm	6.5 degrees
2pm	4 degrees
3pm	3.5 degrees
4pm	3 degrees
5pm	2.5 degrees

# Activity 7: Making a chart

Can you help the manager keep track of the fridge temperature?

- 1 Use the figures to draw a graph. Remember to label the axes.

- 2 Explain what the data shows.

- 3 What was the highest temperature reached during the day?

- 4 What was the lowest temperature reached during the day?

- 5 Did the fridge stay within the regulation temperature?
