

# Real-life learning

"I chose BTEC to get a world-wide recognised qualification. I gained so much knowledge and practical skills."

Aye Mi Mi San,  
BTEC level 5 HND in  
Electronic and  
Electrical Engineering

Every year BTEC graduates are welcomed into over **200 leading universities**; in addition to thousands of well known companies worldwide.

# Real skills for the real world

"Completing my BTEC has helped me to gain far more than just an education. It's a world-class study where the only limit is down to your own imagination and determination."

Lenora Caton,  
BTEC level 5 HND  
in International  
Business Studies

## Do you dream of:

studying abroad?

setting up a company in  
your home country?

a fantastic career in a  
multinational organisation?
